Vanij Periwal

Subject: Letter of Appreciation

Dear Vanij,

On behalf of Parikrma Humanity Foundation, I would like to express my heartfelt appreciation for generously volunteering your time with the children of Parikrma's Jupiter Class.

Your efforts to introduce our students to the wonderful world of Shakespeare and share your enthusiasm for literature and learning made the sessions truly meaningful and engaging.

At Parikrma, we believe that volunteering from a young age helps children develop empathy, responsibility and the joy of sharing. It also enables them to understand that their time, knowledge and efforts can make a meaningful difference in the lives of others.

Thank you, Vanij, for sharing your time, your knowledge and your love for learning with our children. We hope this is the beginning of a long journey of giving back. With warm appreciation,

Dr. Shukla Bose
